

From Deserts to Monsoons:
Aerosols and their Impacts at Regional and
Global Scales

Prof. Guoxiong Wu and Dr. Jianping Li

*LASG, Institute of Atmospheric Physics, Chinese Academy
of Sciences, Beijing 100029, China*

Dr. Xiaoye Zhang

*Chinese Academy of Meteorological Sciences, China
Meteorological Administration, Beijing 100080, China*

Backup:

- We strongly support the series of the workshop in the future.
- If needed, China can help to host some of this series in certain very nice places in China.
